

A diagram featuring a large orange triangle with the words 'Sustainability', 'Supply Security', and 'Affordability' at its vertices. The text 'Energy Transition' is written in large, bold, blue letters across the center of the triangle. The background is a photograph of a port with a large oil tanker and industrial facilities.

Energy Transition

Sustainability

Supply Security

Affordability

Enablers for Progress

- Supportive governmental policies and regulations
- Efficient and predictive permitting processes
- Technological innovation
- A global perspective

The Power of Partnerships

Coalitions of the
willing
and capable
